EC Directive 89/686/EEC

EC Type-examination

Issue 1

PPE Product

a) Tychem® TK Model TK614T limited-use front entry gas-tight suits with expanded back for SCBA, with stitched and double taped (inside and out) seams, with vapor tight zipper, hook and loop double zipper flap, attached two piece glove system, adjustable waist belt, integrated socks, with positive pressure exhaust valves, and with three ply clear visor. Available in ten nominal sizes and with outer glove options: Butyl (Option code 00) or Viton (5C);

b) Tychem® TK Model TK615T limited-use rear entry gas-tight suits with expanded back for SCBA, with stitched and double taped (inside and out) seams, with vapor tight zipper, hook and loop double zipper flap, attached two piece glove system, adjustable waist belt, integrated socks, with positive pressure exhaust valves, and with three ply clear visor. Available in ten nominal sizes and with outer glove options: Butyl (Option code 00) or Viton (5C).

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standard:

EN 943-1:2002 (Type 1a - "gas-tight" chemical protective suit with a breathable air supply independent of the ambient atmosphere);

EN 943-2:2002 (Type 1a – ET – "gas-tight" chemical protective suit for use by emergency teams with breathable air supply independent of the ambient atmosphere).

The manufacturer's information notice (Tychem®TK model TK614T and model TK615T October 2015/1/V1), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file reference: Tychem® TK Model TK614T/TK615T Option Codes 00/5C November 2015.
